

**Our Mission**

To provide integrated health care that meets the evolving life-long needs of our communities

**2023 – 2025 Strategic Plan Priorities**

**Your Care Experience**

- Ensure patients & residents experience high-quality, compassionate care
- Coordinate seamless care within and amongst our facilities
- Continue care experience improvement through implementation of clinical services plan

**Our Great People**

- Empower people to provide excellent, personalized and innovative care
- Ensure a strong and sustainable team of health professionals
- Be the place people choose to work

**Our Partners in Care**

- Reimagine and engage in partnerships that strengthen the network of care
- Better serve community mental health and post hospital care needs with our partners
- Work with Ontario Health Team partners to advance community health priorities and interests

**Our Places & Spaces**

- Develop a vision for redevelopment of Carleton Place hospital facility
- Integrate information, financial and EMR systems
- Function seamlessly together
